Join communities from across the country for two inspiring days of learning, connection, and collaboration at the 2025 annual **Fall Conference — Rising to New Heights: Where Communities Lead and Impact Grows**. More than 100 professionals representing government, education, healthcare, business, and nonprofit sectors will come together in Denver to share strategies, celebrate successes, and elevate their impact. Don't miss your chance to connect with these dynamic communities as an exhibitor or sponsor!

Communities of Excellence 2026 (COE 2026) is a 501(c)(3) nonprofit organization that hosts a national learning collaborative of communities across the country, trains communities in the Baldrige-based Communities of Excellence Framework, and provides opportunities for communities to work together, share successes, challenges, ideas and best practices, and learn from each other on their performance excellence journey.
