The background features a dark blue field with intricate, repeating Art Deco-style patterns of overlapping arches and lines in a light gold color. At the top center, a large, stylized geometric shape resembling a fan or a series of overlapping triangles points downwards, also in light gold. This shape frames the top of a white rectangular text box with rounded corners and a thin gold border.

Join communities from all across the nation for two inspiring days of learning and networking at the annual Communities of Excellence Fall Conference. More than 100 professionals from a wide range of sectors including government, education, healthcare, business, and nonprofits are expected to attend. Don't miss your chance to connect with these communities as an exhibitor or sponsor!

Communities of Excellence 2026 (COE 2026) is a 501(c)(3) nonprofit organization that hosts a national learning collaborative of communities across the country, trains communities in the Baldrige-based Communities of Excellence Framework, and provides opportunities for communities to work together, share successes, challenges, ideas and best practices, and learn from each other on their performance excellence journey.
