

# Impact Pathway Milestone Decision Tree

START HERE

Are you currently working on a cross-sector team on shared priorities?

No

## Milestone 1: Build Your Team for Long-Term Success

You'll form the right cross-sector team, define your shared mission and vision, build trust, and align around baseline data.

Yes

Do you have a clear understanding of what's currently happening in your community, backed by both data and resident input?

No

## Milestone 2: See the Whole Picture

You'll gather data, listen to residents, and build a shared picture of your community's challenges, assets, and root causes.

Yes

Have you developed a Community Strategic Plan and coordinated your team around a focused, goal-driven approach?

No

## Milestone 3: Plan for Impact

You'll prioritize what matters most and create a strategic plan with clear goals, actions, roles, and a way to stay coordinated.

Yes

Are you actively implementing strategies from your plan and using data to track progress?

No

## Milestone 4: Put Your Plan Into Practice

You'll put your strategies into action, test new ideas, and use data to track progress and adjust as needed.

Yes

Is your team focused on sustaining progress, spreading success and embedding the work into broader systems?

No

Yes

## Milestone 5: Sustain, Celebrate, and Scale What Works

You'll strengthen what's working, share success, and embed your approach into systems for long-term impact.

GREAT! You may be ready for the COE Alumni Network. Let's talk about what's next.
